Brand-new and transitioning teachers/advisors and/or alumni leaders can request administrative access to a chapter via an online application.

Things to understand:

WHO CANNOT USE THE ONLINE APPLICATION?

The following states require their **teachers/advisors** to contact their state FFA association to receive administrative access to a chapter: **California**, **Georgia**, **Illinois**, **Indiana** and **Texas**. As a result, these states are <u>not available</u> in the online application.

SELF-TRANSFERRING YOUR EXISTING TEACHER/ADVISOR OR ALUMNI LEADER ROLE

If you recently transitioned to a different school or chapter, you <u>cannot self-transfer</u> your existing teacher/advisor or alumni leader role to your new chapter. <u>Instead</u>, complete this application to request administrative access to your new chapter. If your previous leader role is still active, you can expire the role in the Role(s) section. If no roles are found, your previous roles have already been expired.

Role(s) ٨				If a role is no long	ger needed, click the 🗙 to expire	it.

ACCESS TO MULTIPLE CHAPTERS

If you manage more than one chapter, you can use this form to request administrative access for each chapter you manage. A separate request must be submitted for each chapter.

FFA.ORG LOGIN IS REQUIRED

An FFA.org login is required to access the application. If you are not already logged in to FFA.org, you will be prompted to log in when you click the application link. If you do not have a personal FFA.org login, you will be required to create one to move forward.

NO SHARED CHAPTER LOGIN CREDENTIALS

For system security and data privacy purposes, we do not have shared chapter logins. Each teacher/advisor and alumni leader must have his/her own personal FFA.org account.
