

West Tennessee FFA

Conduct of Chapter Meetings

Purpose

The purpose of the West Tennessee FFA Conduct of Chapter Meeting Leadership Development Event is to introduce seventh, eighth, and ninth grade FFA members to parliamentary procedure as they learn how to conduct efficient meetings and build their communication skills.

Agriculture is a highly technical and ever-changing industry on which everyone is dependent. We will maintain agriculture as our nation's number one industry only if we understand the importance of different agrisciences, marketing strategies, safe food production regulations, and continuous research to improve agriculture. Strong, relevant agriscience programs are one way we can maintain our nation's agricultural edge.

With the recommendation of the National FFA Board of Directors, all national FFA programs have incorporated the Agriculture, Food and Natural Resources (AFNR) Cluster Skills and Career Readiness Practice Standards to guide the direction and content of program materials and activities. Refer to Appendix A in the handbook for a complete list of the measurable activities that participants will carry out in this event.

Event Procedures

- The room will be pre-set with a lectern, tables, chairs, station markers, and a timer before the event. All teams will use identical room sets provided by the event committee. Actual meeting room sets will be provided during the team orientation meeting before the event.
- All participants will be provided paper to take notes during the entire demonstration. Pencils must be provided by the team.

- Participants will have one minute to read their card silently and take notes immediately before their demonstration. Team members may not mark or write on the cards and may not confer or signal each other during the one minute or the demonstration, except when seeking recognition from the chair.
- The student advisor will participate during the opening ceremonies for the advisor's part and then will take on the role of a member to participate in debate and may be assigned a motion and will be asked an oral question.
- Every participant will receive a card (see the sample below) with the main motion and the four required motions from the list of permissible motions. No other motions may be used. However, a point of order and parliamentary inquiry may be used if it is not listed on the motion card. Points will not be awarded if it is not on the motion card, and an appeal may not be made on the president's ruling. Included in the four required motions will be a minimum of one debatable subsidiary motion.

MAIN MOTION:

I move that our chapter organize a district novice parliamentary procedure competitive event.

REQUIRED MOTIONS:

Raise a Question of Privilege

Previous Question

Amend

Point of Order

The highlighted and bolded motion is your required motion.

- The required motion must be demonstrated by the officer that the motion is assigned to for points to be scored. If the assigned motion is used by another officer it must be properly renewed again, if allowed, by the assigned officer to score points.
- Judges will score all member debates, but only the top three debates per team member will impact the final team score.
- If the privileged motion recess is adopted, members must stay at their officer stations and may not talk or signal to each other.
- Four of the six participants on the floor will be assigned a required motion. The motion will be marked in bold print and underlined on their cards to indicate the motion assigned.
- The demonstration including the opening and closing ceremonies will not exceed 13 minutes. (Penalties will be assessed starting at 13:01).
- A time clock or time card will be provided so that the team can see. The clock will count up from zero minutes starting with opening ceremonies (signaled to begin by two taps of the gavel by the president) and stop when closing ceremonies are completed. If a time clock is not used, the timekeeper will signal the team with large cards at the elapsed times of nine and 11 minutes.
- Judges will ask one oral question (which may contain one to two parts) per participant. Oral questions will be predetermined and related to the permissible motions, general purposes of parliamentary procedure, or officer duties and responsibilities. The same set of questions will be used for each team in the event. Oral Questions will be taken for the permissible motions listed above from Parliamentary Procedure Oral Questions CD Basic and Challenge by Shane Dunbar (SKU: PARL-24c) or from officer duties/ responsibilities in the latest edition Official FFA Manual. Only basic questions will be used from the CD with one and two star difficulties.

Main Motion

- There is no pre-determined list of main motions. Main motions are determined annually by the event superintendent and must be developed for any of the three divisions of the chapter program of activities, which includes growing leaders, building communities, and strengthening agriculture.
- The order of business will begin after opening ceremonies and will begin with the consideration of new business (other items normally on the order of business are not to be considered). After opening ceremonies are completed, a member on the floor will gain recognition and state the main motion, which will not be assigned to any particular officer.
- The motion to adjourn is not allowed. Closing ceremonies must be performed.
- The rubric should be used to determine the ranking of teams for each round.
- Division of assembly, point of order, and parliamentary inquiry may be used with no point deduction, if not listed on the motion card when used appropriately. Use of other motions not listed on the motion card have no point value and will result in a point reduction not to exceed 20 points per instance.

Deductions for Parliamentary Procedure Errors

The table below shows the recommended deductions that judges will use for parliamentary procedure errors. If a parliamentary procedure error is made and a point of order is called at the time of the infraction and promptly ruled on by the chair correctly, points should not be deducted. “Members” are the team members other than the chair.

PARLIAMENTARY PROCEDURE ERRORS	Severity Of Point Deduction	Point Deduction
Violations Related To Using A Motion Improperly		
Postpone Indefinitely (when qualified. e.g., a time is given)	****

Stating a personal opinion	****	
Not giving preference in recognition to maker of motion if he/she has not debated	**	
Not giving preference in recognition to member who has not debated	**	
Not alternating debate between those opposed and those in favor of a motion (if known)	*

Member incorrectly stating a motion (e.g., “I motion that,” using incorrect postpone, etc.)	*	
Chair restating motion before it receives a second	**	
Taking up a motion out of the order of precedence	****	
Member makes an assigned motion in the wrong class (e.g., the assigned privileged motion to recess is made when no question is pending. It is therefore classified as an incidental main motion.)	****	
Member calling out “Question” from his/her seat to stop debate	***	
Member not including special committee size and method of appointing members when making the motion to Commit or Refer	***	
Violations Related To Debate By Members		
Not getting recognized before debating (discussing) a motion	*
