JOURNALISTIC WRITING TEAM PRACTICUM (400 POINTS/TEAM)

The practicums will consist of a Journalistic Writing team event.

All teams will meet in a central location for an orientation and press conference. All team members will be given an orientation at the beginning of the practicums to last no more than 10 minutes.

The press conference will be held immediately before the scheduled practicum. Each team member will receive a press packet with background information on the agricultural topic and expert to use during the event. An expert will speak on a current agricultural topic for 20 minutes. Students will be provided with paper to take notes if they wish.

The writers will then be involved in a 10 minute question and answer period with the expert (speaker). Each writer will stand to be recognized before asking a question. Writers may ask more than one question; however, the expert will attempt to address questions from as many different participants as possible. No electronic devices of any kind, including tape recorders and cell phones, will be allowed during this portion of the event.

Journalistic Writers

As a team, writers are to write a journalistic piece based on the press packet and information that was gathered in the press conference. It should be written for an appropriate audience, have a strong focus and lead (opening paragraph) and include a headline. The story will then be word processed by the student on a computer and turned in to be scored. Participants will have 90 minutes to complete the practicum.

The activity will rotate annually from the following:

- Press release (2017, 2020)
- News story (2018, 2021)
- Feature story (2019)

Individual Activities

TESTS

EDITING EXERCISE (25 POINTS/INDIVIDUAL; 100 POINTS/TEAM)

Because editing is a critical skill for all communicators, each team member will complete an editing exercise. They will be given a printed document that contains 25 mistakes. In correcting the mistakes, team members will be required to use correct proofreading marks (see Associated Press Stylebook). Style, grammar, punctuation and spelling mistakes will be included. Team members will NOT be able to use the style manual or a dictionary during this exercise.

COMMUNICATIONS QUIZ (25 POINTS/INDIVIDUAL; 100 POINTS/TEAM)

Each team member will complete a quiz that covers general knowledge of the agricultural communications industry. The quiz will come from the past five years National Communications Quizzes which can be found on westtnffa.ffa.org.

Scoring

Participants will be ranked in numerical order on the basis of the final score to be determined by each judge without consultation. The judge's ranking of each participant then shall be added, and the winner will be that participant whose total ranking is the lowest. Other placings will be determined in the same manner (low point method of selection). Weighted rank scoring will be implemented to maintain point value emphasis between individual and team events. The criteria and points can be found on the scorecards.
